___________________________ (County) Court Clerk’s Office

Address: ____________________________________________________________
City: ________________________________________________________________ State: __________
Zip code: __________________________________________________________________

To the Office of the County Court Clerk:

I am currently incarcerated at the: ______________________________________________________________________________________

I am requesting the amount of fines/court costs that I owe in your county. May I arrange payment by phone or letter? Do I need to appear in your office?
Can the amount of fines or court costs be reduced?
I am preparing for release and would appreciate your swift response.

Full Name: _________________________________________________________________________________________________________
Date of Birth: ______________________________________________________________________________________________________

FEDERAL BONDING PROGRAM - Handout available

What is the Federal Bonding Program?
- This is a U.S. Department of Labor program.
- Offers a proven and effective tool for workforce development professionals to help both employers and at-risk job applicants at no cost.
  - Note: The program has bonded over 42,000 at-risk job applicants in jobs with a 99 percent success rate.

What is Bonding?
- Many employers carry insurance to protect themselves against employee theft or dishonesty.
- Employees who handle money, valuable tools or goods are covered. This insurance is called fidelity bonding.
- When such commercial insurance is denied because of an individual’s background, the employer often denies a job to that person.
- The Federal Bonding Program provides individual fidelity bonds to employers for job applicants who are deemed un-bondable by commercial carriers because of a:
  - Record of arrest, conviction, or imprisonment
  - History of alcohol or drug abuse
  - Poor credit history
  - Lack of employment history
  - Dishonorable discharge

How Does Bonding Help Jobseekers?
- Bonding helps jobseekers experiencing difficulty in securing opportunities to show they can be productive workers.
- At-risk job applicants increase their options for and chances of employment when they can offer the bonds to employers.
- Bonding eliminates one of the main barriers to employment, enabling jobseekers to make a new start and level the playing field.

How Does Bonding Help Employers?
- As an employer incentive, bonding helps eliminate financial risk to employers. It insures the employer for any type of stealing by theft, forgery, larceny or embezzlement.
- An employer can focus on the worker’s skills, abilities and knowledge. The employer fills out no forms and signs no documents.
- What’s more, the bond is effective immediately—on the first day of employment—at no cost to the employer or job applicant.

How Does Bonding Help the Workforce Center?
- Bonding is a unique and innovative tool to market applicants to employers.
- Bonding helps improve a Center’s efficiency since fewer referrals are needed to secure job placements, and it increases a Center’s credibility with employers.

Eligibility Guidelines:
- Fidelity bonding may be provided for any individual who:
  - Has a firm job offer, and
- Is qualified for the job.
  and if the job...
- Offers steady work with reasonable expectation of permanence, and
- Is not self-employment.

Who May Apply for Bonding?
- Either the job applicant or the prospective employer (on behalf of the applicant) may apply for fidelity bonding insurance at any Workforce Center.
- The on-line application process, completed by Workforce staff, is simple and quick.

How Long Does It Take To Process a Bond Application?
- Bonding coverage becomes effective immediately when:
  - The OESC Bonding Coordinator has certified the bond.
  - The applicant has begun work.

Coverage Details:
- Coverage usually begins on the first day of work for the new employee. The bond is mailed directly to the employer by the McLaughlin Company.
- Bonds are issued for six months. The employer may then contact the McLaughlin Company directly to purchase additional bond coverage.
- A total of $5,000 bond coverage is usually issued, with no deductible amount of liability for the employer.

What Is Not Covered By Bonding?
- The Bond does not cover liability due to poor workmanship, job injuries or work accidents.
- It is not a bail bond or court bond for the legal system.
- It is not a contract bond, performance bond or license bond sometimes needed to be self-employed.

Federal Bonding Summary:
- Federal Bonding is a job placement tool.
- Any at-risk job applicant is eligible for bonding services, thereby enabling jobseekers to level the playing field.
- As an employer incentive, bonding helps eliminate financial risk to employers.
- Bonds are available at no cost to employers or jobseekers.
- Bonding is a unique and innovative tool to market applicants to employers.
- Completing the one-page certification form takes just a few minutes.
- The applicant is covered on the first day of steady employment.
- The applicant is covered for the first six months of employment, but the employer may then purchase additional coverage directly from the McLaughlin Company.

Work Opportunity Tax Credit - Handout available

What is WOTC?
The Work Opportunity Tax Credit (WOTC) is a Federal tax credit available to employers for hiring individuals from certain target groups who have consistently faced significant barriers to employment.

WOTC joins other workforce programs that incentivize workplace diversity and facilitate access to good jobs for American workers.

What does WOTC do?
WOTC helps targeted workers move from economic dependency into self-sufficiency as they earn a steady income and become contributing taxpayers, while participating employers are able to reduce their income tax liability.

How large is the tax credit?
The maximum tax credit ranges from $1,200 to $9,600, depending on the employee hired.

WORK OPPORTUNITY TAX CREDIT TARGET GROUP ELIGIBILITY

Veteran:
To be considered a veteran eligible for WOTC, an individual must meet these two standards:
1. Have served on active duty (not including training) in the U.S. Armed Forces for more than 180 days or have been discharged or released from active duty for a service-connected disability; AND
2. Cannot have a period of active duty (not including training) of more than 90 days that ended during the 60-day period ending on the hiring date.

To be eligible for WOTC, a veteran must also be one of the following:
- A member of a family that received Supplemental Nutrition Assistance Program benefits (food stamps) for at least 3-months during the 15-month period ending on the hiring date; OR
- Entitled to compensation for a service-connected disability and was:
  - Hired within 1 year of discharge or release from active duty, or
  - Unemployed for at least 6 months in the year ending on the hiring date; OR
- Unemployed for:
  - At least 4 weeks (but less than 6 months) in the year ending on the hiring date, OR
  - At least 6 months in the year ending on the hiring date.

Long-Term or Short-Term Temporary Assistance for Needy Families Recipient:
Short-Term Temporary Assistance for Needy Families (TANF) Recipient – An individual who is a member of a family that:
- Received TANF benefits for any 9 months during the 18-month period ending on the hiring date.

Long-Term TANF Recipient – An individual who is a member of a family that meets one of the following:
- Received TANF benefits for at least 18 consecutive months ending on the hiring date; OR
- Stopped being eligible for TANF payments during the past 2 years because a Federal or state law limited the maximum time those payments could be made, and the individual is hired not more than 2 years after such eligibility ended; OR
- Received TANF benefits for any 18 months after August 5, 1997, and has a hiring date that is not more than 2 years after the end of the earliest 18-month period after August 5, 1997.

Supplemental Nutrition Assistance Program Recipient (Food Stamps):
A Supplemental Nutrition Assistance Program (SNAP) recipient age 18-39 years who is a member of a family that received SNAP benefits (food stamps) for:

- The 6-month period ending on the hiring date; OR
- At least 3 of the 5 months ending on the hiring date, in the case of a family member who ceased to be eligible for such assistance under Section 6(o) of the Food Stamp Act of 1977.

**Designated Community Resident:**
An 18-39 year old who lives within one of the federally-designated Rural Renewal Counties or Empowerment Zones. For additional information on Rural Renewal Counties or Empowerment Zones, please visit: [http://portal.hud.gov/](http://portal.hud.gov/)
A listing of current Empowerment Zones (EZs) can be found at: [http://portal.hud.gov](http://portal.hud.gov)

**Vocational Rehabilitation Referral:**
An individual with a disability who completed or is completing rehabilitative services from a state-certified agency, an Employment Network under the Ticket to Work program, or the U.S. Department of Veteran Affairs.

**Ex-Felon:**
An individual who:
- Has been convicted of a felony; AND
- Who is hired within 1 year after the conviction or release date from prison.

**Supplemental Security Income Recipient:**
An individual who received Supplemental Security Income (SSI) benefits for any month that ended during the 60-day period ending on the hire date.

**Summer Youth Employee:**
A 16 or 17 year-old youth who:
- Works for the employer between May 1st and September 15th; AND
- Lives within one of the federally-designated Empowerment Zones.

**Which employees do not qualify to be certified?**
Some employees do not qualify the employer for the WOTC. They include:
- Relatives and dependents of the employer, including sons, daughters, stepchildren, spouses, fathers, mothers, brothers, sisters, step-brothers or sisters, nephews, nieces, uncles, aunts, cousins, or in-laws
- Former employees, regardless of how long it has been since he/she last worked for the employer (except for summer youth)
- Majority owners of the business.

**What wages do not qualify for the tax credit calculation?**
Wages include all remuneration paid to an employee. However, to qualify, the wages must be:
- Wages for which the employer pays Federal Unemployment Tax Act (FUTA) taxes
- Wages actually paid by the employer, including those to on-the-job training (OJT) participants. If the OJT worker is receiving subsidized wages directly from another party, or indirectly paid through the employer, then the wages do not qualify (although the hours worked for the employer count for the minimum retention period).
The purpose for the Vocational Rehabilitation is to help eligible individuals with disabilities prepare for work and become gainfully employed.

The primary vocational rehabilitation services are counseling and guidance with job placement. However, other services may also be provided as needed for an individual to compensate for, correct or prevent disability-based barriers to employment. These services can include, but are not limited to:

- Physical or mental restoration;
- Vocational, college or other training;
- Assistive technology evaluations, equipment and training;
- Information on disability resources;
- Personal assistance services while receiving VR services;
- Transportation in connection with VR services being provided;
- Supported employment;
- Self-employment assistance;
- Transition school-to-work services for youth with disabilities; and
- Other services based on individual needs.

The services a person receives are determined by the person’s Individualized Plan for Employment. This plan outlines a person’s employment goal and the services that are needed to enable the person to achieve that goal. The IPE can be written by a VR client and counselor working together, or it can be written by the client according to guidelines the counselor will explain.

Eligibility: A person may be eligible for vocational rehabilitation services if he or she has a physical or mental disability that is a barrier to employment and requires VR services to prepare for, obtain, keep or return to work. There must be a chance the person can benefit by going to work.

Cost: Some services, such as medical examinations to determine if a person is eligible for vocational rehabilitation, counseling and job placement, are provided at no charge to the client. For some other services, a client may have to share in the cost, depending on his or her income and resources.

How to Apply:
Step 1: Locate an office nearest you,
Step 2: Call for an appointment
Step 3: Fill out an application
Step 4: Gather as much medical information as you can
Step 5: Show up for the appointment to complete the application

Keys to Success:
- Keep in contact with your counselor
- Let him or her know if you move or change phone numbers
- Complete any assignments

<td>This medication assists recovery by managing the physical withdrawal symptoms which then allow a person to gain control of their life and concentrate on their therapy and most importantly their recovery. Red Rock BHS MAT Clinic provides clients with a &quot;Recovery Team&quot; consisting of highly qualified physicians, licensed alcohol and drug therapists, case management, in-house pharmacy, and peer recovery support specialists who assist 24 hours a day 7 days per week if needed. Any person, age 18 and over, with an addiction to opioids, heroin, or have an opioid use diagnosis who are also willing to commit to recovery through the use of medication therapy: random medication testing.</td>

Resource for Dental Care
A Guide to Free and Low-Cost Dental Care

A message to those in need of care

Individuals requesting this guide typically have two issues – a dental problem that cannot be ignored combined with scarce financial resources.

The providers listed in this directory care about you and your situation, and they do all they can (given limited resources) to meet the tremendous need for free and low-cost dental services throughout Oklahoma.

There are two types of clinics/programs listed – free and low-cost. If you have some financial means, the nonprofit low-cost clinics and Federally Qualified Health Centers (FQHCs) provide dental services at lower than average or sliding scale fees and the waiting period for an appointment is short.

Free clinics and programs provide services at no cost and are made possible by volunteer dental professionals and support staff. As you can imagine, the demand for these services is great, but the supply of volunteers is limited. Patience and perseverance are keys to receiving care, because most have long waiting periods for restorative services (such as dentures and fillings). However, every effort is made to provide timely care to those in pain and at risk for infection. Calling more than one resource and becoming familiar with their processes may increase your likelihood for treatment.

We sincerely hope this directory helps you find the dental care you need.

Other options available for those in need

Did you know that SoonerCare covers all routine and diagnostic dental costs for qualifying Oklahoma children? For information, see the SoonerCare listing in the Statewide section of this guide.

If your employer doesn’t provide dental insurance, Delta Dental of Oklahoma offers Individual and Family plans designed to meet the needs of Oklahomans outside the workplace.

For more information, please visit: DeltaDentalOK.org/CoversMe.
 ALWAYS CALL the listed provider to confirm eligibility and availability of services. Most providers require an appointment.

**Region:** Central

**City Rescue Mission**
800 W. California
Oklahoma City, OK 73102
County: Oklahoma

Are you struggling to afford your prescription medicines? We are here to help.

DELIVERING HOPE TO MILLIONS OF PATIENTS IN NEED

The Partnership for Prescription Assistance (PPA) helps uninsured and underinsured patients find programs that provide prescription medicines for free or nearly free. Since 2005, PPA has helped connect nearly 9.5 million Americans to public and private assistance programs.

HOW CAN PPA HELP?

If you struggle with affordable access to your medicines at the pharmacy, visit www.pparx.org to find patient assistance programs for which you may qualify. PPA member programs offer access to more than 2,500 medicines, including a wide range of generics. PPA is a free online service that's confidential and easy to use.

Sponsored by America's biopharmaceutical research companies, PPA is a free service that helps uninsured and underinsured patients get access to assistance programs that offer prescription medicines for free or nearly free.

HOW DOES PPA WORK?

2. Tell us what prescription medicines you take.
3. Tell us about yourself (age, income, health coverage, etc.).
4. Get your results and decide which patient assistance programs you would like to apply to.
5. Complete the application process.

To find out if you may qualify for assistance, visit www.pparx.org.
ABOUT US

The mission of PPA is to increase awareness of patient assistance programs and boost enrollment of those who are eligible. We offer a single point of access to more than 475 public and private patient assistance programs, including nearly 200 offered by biopharmaceutical companies. We have already helped connect nearly 9.5 million Americans to programs that provide prescription medicines for free or nearly free.

Visit www.pparx.org to learn more.

What is the Provisional Driver License Program?

The Department of Public Safety now offers a program whereby a person whose driver license to operate a motor vehicle has been suspended or revoked may enter into an agreement with the Department of Public Safety to allow such person limited driving privileges to drive between their place of residence and their place of employment or potential employment; during the scope and course of their employment; between their place of residence and a college, university or technology center; between their place of residence and their child’s school or day care provider; between their place of residence and a place of worship; or between their place of residence and any court-ordered treatment program.

The intent of this program is to allow persons, who have served their period of suspension or revocation, but have not paid the required statutory fees necessary for reinstatement of driving privileges to the Department of Public Safety, to be able to drive in a limited capacity. This limited driving ability is conditioned upon the minimum monthly payment of $25.00 to the Department of Public Safety toward the satisfaction of all outstanding driver license reinstatement fees.

In order to qualify for this program, the person must be otherwise eligible to reinstate to full driving privileges; must have an unexpired driver license, must have current liability insurance in their name; must obtain a photo Oklahoma Identification Card; must pay a non-refundable $25.00 enrollment fee to the Department of Public Safety to enter the program; and their suspensions or revocations must not have been as a result of any of the following disqualifying offenses:

1. Manslaughter or negligent homicide resulting from the operation of a motor vehicle;
2. Driving or being in actual physical control of a motor vehicle while under the influence of alcohol, any other intoxicating substance, or the combined influence of alcohol and any other intoxicating substance;
3. Revocations for Refusals to Test;
4. Revocations for Test Failures.

In order to be eligible for a Class D license under the Provisional Driver License Program, the following criteria must be met:

1. The Applicant for the Class D license cannot be a Commercial Driver License holder, and
2. The Applicant for the Class D license must renew and/or retest, if required, if the Applicant’s Class D license has expired or expires within the next 6 months.

This notification is not intended to be a complete description of all of the terms, conditions and requirement of the Provisional Driver License Program.

To determine if you are eligible to participate in this program or to obtain additional information concerning the terms and conditions of this program, you may contact a Driver Compliance Hearing Officer at one of the locations below:

Should you desire to discuss a Department action with a Driver Compliance Hearing Officer, the locations, days and times for the Hearing Officers are listed above. It is strongly suggested that if you must travel a lengthy distance, you may want to call ahead on that day to confirm a Hearing Officer will be available at that location. All customers are seen on a walk-in basis, appointments are not made. All offices are closed on state holidays.

**What are the differences between a Modified Driver License and a Provisional Driver License?**

A Modified Driver License is issued during the mandatory period of revocation or denial to allow restricted driving privileges under specific terms and circumstances when it is determined that the person who has been denied driving privileges has no other adequate means of transportation. In connection with a modified driver license there is generally a requirement that an ignition interlock device be installed at the person's own expense on all vehicle driven by the person during the period of modification. Driving times and purposes may also be limited.

In connection with this type of modification, the person shall pay a statutory modification fee of $175.00 to the Department of Public Safety ("DPS"). Further, the person is required to obtain a replacement plastic license at a cost of $20.00 from a tag agent with the wording "Modified" printed thereon. The modified license will also indicate by restriction when the ignition interlock is required.

Lastly, the modification is only valid during the mandatory period of revocation or denial. When the revocation period is over, the modified license is no longer valid.

A Provisional Driver License is issued after the expiration of the period of suspension or revocation under the authority of the Provisional Driver License Program ("PDLP") The intent of this program is to allow persons, who have served their period of suspension or revocation and have done all that is
necessary to reinstate, but have not paid the required statutory fees necessary for reinstatement of driving privileges to DPS, to be able to drive in a limited capacity.

This limited driving ability is conditioned upon the minimum monthly payment of $25.00 to DPS toward the satisfaction of all outstanding driver license reinstatement fees. In order to qualify for the PDLP, the person must be otherwise eligible to reinstate to full driving privileges; must not be Commercial Driver License holder; must have an unexpired Class D driver license; must have current liability insurance in their name; must obtain a photo Oklahoma Identification Card; must pay a non-refundable $25.00 enrollment fee to DPS to enter the program; and their suspensions or revocations must not have been as a result of any of the certain disqualifying offenses as provided for by statute.

Driving under this program is limited to the person’s need for driving between their place of residence and their place of employment or potential employment, between their place of residence and a college, university or technology center, between their place of residence and their child’s school or day care provider, between their place of residence and a place of worship or between their place of residence and any court-ordered treatment program by statute.

There is no require for the installation of an ignition interlock device under the PDLP. The Provisional Driver License that is issued by DPS is a paper license, with the words “Provisional Driver License” printed thereon, which also lists where and when driving is authorized.

What Do I Need To Enter the Class D Provisional Driver License Program?

1. Applicant must have sufficient forms of identification as determined by DPS, which include a primary and secondary form of identification and proof of legal presence in the United States.
2. Applicant must have a valid and current Oklahoma Identification Card.
3. Applicant’s driving record with DPS must indicate that Applicant has never had a driver license or that Applicant’s license status would be a Class D driver license holder. (Applicant’s license status cannot be a Class A, B, or C, Commercial Driver License holder.)*

*NOTE: Once enrolled in the program, Applicant must have current Oklahoma Class D driving license with DPS:

A. If the Applicant has never had a Class D license at all, Applicant must test for a Class D license before being allowed to drive under the Class D Provisional Driver License Program.
B. If the Applicant’s Class D license has expired or will expire within the next six (6) months, Applicant must renew the Class D license before being allowed to drive under the Class D Provisional Driver License Program.
C. If the Applicant’s Class D license has been expired more than three (3) years, Applicant must retest for a new Class D license before being allowed to driver under the Class D Provisional Driver License Program.
D. Applicant must pay all applicable fees in connection with testing or renewal.

4. Applicant must not have any non-reinstated outstanding action(s) which would exempt the Applicant from participation in the program, such as manslaughter or negligent homicide, DUI or APC, refusals to test or test failures.
5. Applicant must have done all that is necessary for reinstatement of all outstanding actions except for paying the outstanding statutory fees necessary for reinstatement.

6. Applicant cannot have any pending actions in another state.

7. Applicant must have current proof of liability insurance in the Applicant's name.

8. Applicant must have the onetime $25.00 enrollment fee, plus the first $25.00 monthly payment.

Oklahoma Sex Offender Registration Act -
Notice of Duty to Register

(Pursuant to Title 57, Sections 581-590.2 and Title 21, Section 1125 of the Oklahoma State Statutes

1. I understand that I have a legal duty to register as a sex offender with the Department of Corrections (ODOC) and with the law enforcement agency having jurisdiction over my place of residency. Local law enforcement agency is the municipal police department, county sheriff, or police or security department of any institution of higher learning if I am enrolled as a student (full or part-time) or residing in property owned or controlled by an institution of higher learning. I am responsible for obtaining and submitting the information required of me for the registration paperwork.

2. If my conviction is in Oklahoma, I must register with the Department of Corrections within three (3) business days of receiving a probationary sentence, including a deferred sentence, or not less than three (3) business days prior to release from a correctional facility. I must register with the local law enforcement authority within (3) days after entering the jurisdiction of the law enforcement authority if I reside or intend to reside for seven (7) consecutive days or fourteen (14) days in a sixty-day period, or longer. If convicted in Oklahoma from November 1, 1989-April 25, 2004, or deferred from November 1, 1999-April 25, 2004, my duty to register continues for ten (10) years from my original registration date, unless I have been designated as aggravated or habitual. If convicted or deferred from April 26, 2004-October 31, 2007, my duty to register continues for ten (10) years from completion of my sentence unless I have been designated as aggravated or habitual. If convicted on or after November 1, 2007, my duty to register continues for not less than fifteen (15) years if assigned as a level one offender and twenty-five (25) years if assigned as a level two offender from completion of my sentence, unless I have been designated as aggravated or habitual. Lifetime registration is required if I am a habitual, aggravated, or level three offender.

3. If I am in the state and have a sentence from another state, federal court, Indian tribal court, military court, the District of Columbia, Puerto Rico, Guam, American Samoa, the Northern Mariana Islands and the United States Virgin Islands, or a court of a foreign country, or I have entered Oklahoma from another state and intend to be in the state for any purpose for five (5) consecutive days or longer, calculated beginning with the first day, have any type of full-time or part-time employment with or without compensation for more than five (5) cumulative days in any sixty (60) day period, or enroll as a full-time or part-time student within the state, I must register in person with the ODOC and local law enforcement agency within two (2) days. My requirement will be determined by the date I enter Oklahoma and become subject to the registration requirements. If I entered from November 1, 1989-April 25, 2004, or deferred from November 1, 1999-April 25, 2004, or from November 1, 2005-April 29, 2008, my registration continues for ten (10) years from my original registration date, unless I have been designated as aggravated or habitual. If I entered from April 26, 2004-November 1, 2005, my registration continues for ten (10) years from completion of my sentence unless I have been designated as aggravated or habitual. If I entered on or after November 1, 2007, my duty to register for a conviction or deferred judgment from another jurisdiction continues for not less than fifteen (15) years if assigned as a level one offender and twenty-five (25) years if assigned as a level two offender, from completion of my sentence or the date of initial registration in Oklahoma, unless I have been designated as aggravated or habitual. Lifetime registration is required if I am a habitual, aggravated, or level three offender. If I fail to remain in the state for the duration of the registration requirements, the registration period will be recalculated when I reenter the state.

4. Any person subject to the provisions of the Sex Offenders Registration Act or the Mary Rippy Act who has an out-of-state conviction that requires registration, shall provide the local law enforcement
authority where the offender intends to reside with a certified copy of the offender’s judgment and sentencing report within sixty (60) days of the offender’s initial registration with this state. If an offender moves to a different location in this state outside of the jurisdiction of the law enforcement authority that has a certified copy of the judgment and sentencing report, the offender shall provide the local law enforcement authority of the new location where the offender intends to reside with a certified copy of the judgment and sentencing report within sixty (60) days of establishing residency in the new location.

5. Effective November 1, 2013 for offenders who are convicted in Oklahoma or who enter Oklahoma and become subject to registration, registration will not conclude until the offender has been in compliance for the total amount of time required. If the offender ceases to properly register, the offender will remain on the registry until the offender has fully complied with the requirements for the total period of time required.

I understand that after November 1, 2013, the days I am delinquent in verifying my address with the local law enforcement authority will not count toward the completion of my registration period.

6. I must notify local law enforcement agency in person no later than three (3) business days prior to abandoning or moving from the address of the previous registration, or within three (3) business days of changing or terminating employment, or changing enrollment status as a student. If I move to another state, I must appear in person and register the new address with a designated law enforcement agency in the new state no later than ten (10) days prior to establishing residence whether temporary or permanent. If I enter another state to participate in any type of full-time or part-time employment with or without compensation for more than fourteen (14) cumulative days in any sixty day period or an aggregate period exceeding thirty (30) days within a calendar year, or enroll as a full-time or part-time student, I must register as a sex offender in that state.

7. If I reside in another state and I have a spouse living in this state, I must register within two (2) days after entering Oklahoma with the ODOC and local law enforcement authority when I intend to be in Oklahoma for any purpose for five (5) consecutive days or longer, calculated beginning with the first day, or an aggregate period of five (5) days or longer in a calendar year.

8. I must submit a blood or saliva test for a DNA profile within thirty (30) days of registration, unless a valid sample is already on file with the Oklahoma State Bureau of Investigation.

9. It is unlawful for me to work with, or provide services to children or to work on school premises, or for any person or business which contracts for work to be performed on school premises. Any violation is a misdemeanor punishable by a fine up to $1,000.00, and the violator may be liable for civil damages.

10. It is unlawful for me to loiter within 500 feet of any elementary, junior high or high school, permitted or licensed child care center as defined by the Department of Human Services, playground, or park if I have been convicted of a crime, in this or any other jurisdiction, that requires registration pursuant to the Sex Offenders Registration Act and the victim of my crime of conviction was a child under 16 years of age.

11. If I am designated as a habitual or aggravated offender, I am prohibited from entering any park.

12. A park means any outdoor public area specifically designated as being used for recreational purposes that is operated or supported in whole or in part by an association of homeowners or a city, town, county, state, federal, or tribal governmental authority.
I am exempt, with limitations for a reasonable amount of time to complete such tasks, if I am the
custodial parent or legal guardian of a child enrolled as a student at the school or child care facility, and I
am enrolling, delivering or retrieving such child at the school or child care facility during regular school
or facility hours or for school or child care facility sanctioned extracurricular activities. Prior to entering
the zone of safety for these purposes, I shall inform school or child care center administrators of my
status as a registered sex offender and I shall update monthly, or as often as required by the school or
center, information about the specific times I will be within the zone of safety.

The safety zone does not apply when I am receiving treatment at a hospital or other medical services
facility.

The safety zone does not prevent me from attending a recognized church or religious denomination
for worship, however, I must notify the religious leader of my status as a sex offender and receive
written permission to attend.

Violations may be punished as a felony with a fine not exceeding $2500, or by imprisonment in the
county jail for a term of not more than one (1) year, or by both fine and imprisonment. A second or
subsequent violation will be punished by a fine of $2500, or by imprisonment in the custody of the
Department of Corrections for a term of not less than three (3) years or by both fine and imprisonment.

I understand that after November 1, 2018, the zone of safety will include the residence of a victim of
a sex crime. I understand that I am prohibited from loitering within one thousand (1,000) feet of the
residence of the victim of my crime of conviction.

13. It is unlawful for me to reside, either temporarily or permanently, within a two-thousand (2000) -
foot radius of any public or private school site, educational institution, property or campsite used by an
organization whose primary purpose is working with children, a playground or park that is established,
operated or supported in whole or in part by a homeowner's association or a city, town, county, state,
federal or tribal government, or licensed child care center or a family child care home as defined in the
Oklahoma Child Care Facilities Licensing Act or the residence of his or her victim. Establishment of a
licensed child care center, family child care home or park in the vicinity of the residence of a registered
sex offender will not require the relocation of the sex offender or the sale of the property. On June 7,
2006, the distance indicated in this section shall be measured from the nearest property line of the
residence of the school site, educational institution, property or campsite used by an organization
whose primary purpose is working with children, playground, park, licensed child care center, family
child care home or residence of his or her victim; provided, any nonprofit organizations, established
and housing sex offenders prior to the effective date of this provision, June 7, 2006, are excluded from
this provision. The residency restriction does not apply if I am residing in a hospital or other facility
certified or licensed to provide medical services. Violations may be punished as a felony with a fine not
to exceed $3000, or by imprisonment in the custody of the Department of Corrections for a term of not
less than one (1) year nor more than three (3) years, or by both fine and imprisonment. A second or
subsequent violation shall be punishable by a fine not to exceed $3000, or by imprisonment in the
custody of the Department of Corrections for a term of not less than three (3) years, or by both fine
and imprisonment.

14. Effective November 1, 2012, it shall be unlawful for any person who is required to register pursuant
to the Sex Offenders Registration Act for any offense in which a minor child was the victim to reside with
a minor child or establish any other living accommodation where a minor child resides. Provided,
however, the person may reside with a minor child if the person is the parent, stepparent or
grandparent of the minor child and the minor child was not the victim of the offense for which the
person is required to register.
15. Any person subject to the provisions of the Sex Offenders Registration Act who resides with a minor child as the parent, stepparent or grandparent of the minor child, provided the minor child was not the victim of the offense for which the person is required to register, must report to the statewide centralized hotline of the Department of Human Services the name and date of birth of any and all minor children residing in the same household and the offenses for which the person is required to register pursuant to the Sex Offenders Registration Act within three (3) days of intent to reside with a minor child. The hotline number is 1-800-522-3511.

16. I am required to verify my address with the local law enforcement authority at least annually if I have no level or am a level one offender, semiannually if I am a level two offender, and every ninety (90) days if I am designated as an aggravated, habitual, or level three offender. The address must be a physical address, not a post office box. If the physical address given cannot receive mail, a mailing address must also be provided, which may include a post office box. I may receive an address verification form at my registered address and will have ten (10) days to deliver the letter to the local law enforcement authority to verify this address. If I do not receive my verification letter in the mail, I will continue to comply with the reporting requirements by reporting as required to the local law enforcement agency for current address verification. The local law enforcement authority will have an alternative address verification form provided by DOC. If I am a transient, I will report in person to the nearest local law enforcement authority every seven (7) days and provide to the local law enforcement authority the approximate location of where I am staying and where I plan to stay. Failure to register or abide by the provisions of this Act is a felony punishable by up to five (5) years in prison and/or a $5000 fine. Failure to comply with my sex offender registration requirements, including failure to update my current registration and/or failure to register as a sex offender if I move to, work in or attend school in another state or foreign country, could be a violation of the Adam Walsh Act (Sex Offender Registration and Notification Act), 18 U.S.C. sec. 2250.

17. It is unlawful for two or more persons required to register as sex offenders to reside together in any individual dwelling during the term of registration as a sex offender. This does not prohibit a registered sex offender from residing in any properly zoned and established boarding house, apartment building or other multi-unit structure; provided the individual dwellings are separate for each registered person. Effective July 1, 2012, "multi-unit structure" means a structure with multiple residential units that provide independent living facilities for living, sleeping, cooking, eating, and sanitation within each individual unit. Manufactured homes, mobile homes, trailers, and recreational vehicles that do not meet the descriptions of this paragraph are not multi-unit structures. This does not prohibit the sharing of living quarters, jail or prison space, or any multi-person or dormitory-style housing of sex offenders in the custody of any jail or correctional facility or any properly zoned facility under contract with a jail or correctional agency for the purpose of housing prisoners, or any properly established treatment or nonprofit facility located in a properly zoned area as determined by the local governing authority, and housing persons for purposes of sex offender services and treatment. This does not prohibit married persons, both of whom are required to register as sex offenders, or two or more blood relatives who are required to register as sex offenders, from residing in any individual dwelling during the term of registration as a sex offender. Violations may be punished as a misdemeanor with a fine not to exceed $1,000, and (1) year imprisonment in the county jail. A second or subsequent violation may be punished as a felony with a fine not to exceed $2,000, and imprisonment in the custody of the Department of Corrections for a term of not more than five (5) years.

18. If I make application for a new identification card or driver’s license, or make application to renew an identification card or driver’s license, and I have been convicted or received a deferred judgment, for
any offense required to register pursuant to the Sex Offenders Registration Act, the identification card or driver license shall be valid for a period of one (1) year from the month of issuance, but may be renewed yearly during the time I am registered as a sex offender. The cost for such identification card or driver’s license shall be the same as for other identification cards or drivers licenses and renewals.

19. If I am designated as a habitual or aggravated offender, I will be issued a license or card bearing the words “Sex Offender.” I understand that I will be required to surrender my current license or identification card within one hundred and eighty days (180) days from the date of notice from the Department of Public Safety. Upon surrendering the license or identification card, I may make application with the Department of Public Safety for a replacement license or card bearing the words “Sex Offender.”

20. Title I of the Adam Walsh Child Protection and Safety Act of 2006, the Sex Offender Registration and Notification Act (SORNA), as augmented by the National Guidelines for Sex Offender Registration and Notification (June 2008) and the Supplemental Guidelines for Sex Offender Registration and Notification (January 2011), requires that I inform the ODOC’s Sex and Violent Offender Registration Unit of any intended travel outside of the United States at least 21 days prior to that travel. I understand that the U.S. Marshals Service will be informed of my dates and places of departure, arrival and return; means of travel; itinerary details including the name of the airport/train station/port, the flight/train/ship number, the time of departure, the time of arrival, and information about any intermediate stops; and the purpose of the travel.

21. These duties and procedures have been fully explained to me.

Habitual and Aggravated Sex Offenders/Habitual Violent Crime Offenders

A. Designation Criteria for Habitual Sex Offenders

Oklahoma Statute 57 O.S. § 584 provides that certain sex offenders be designated by ODOC as habitual sex offenders. A sex offender is considered habitual:

1. Upon their second conviction or suspended sentence or probationary term for any of the crimes subject to sex offender registration; or
2. Who have been convicted of an additional crime or attempted crime which, if committed or attempted in this state, would be a crime or an attempt to commit a crime subject to sex offender registration and enters this state after November 1, 1997.

The designation as a habitual sex offender is in addition to the registration requirements of the Sex Offenders Registration Act. The habitual designation will be for the lifetime of the offender. The registration file of an offender designated as habitual will be flagged to indicate such designation. After an offender is designated as habitual, the local law enforcement agency having jurisdiction over the offender’s residence will be notified by the Sex and Violent Crime Registration Unit.

B. Designation Criteria for Aggravated Sex Offenders
Oklahoma Statute 57 O.S. § 584 provides that certain sex offenders are designated by ODOC as aggravated sex offenders. An aggravated sex offender is any offender who on or after November 1, 1999, is convicted or receives a suspended sentence or any probationary term for the crimes of Abuse or Neglect of Child/Child Beating (when sexual abuse or exploitation is involved), Incest, Forcible Sodomy, Rape in the First Degree, Rape in the Second Degree, Rape by Instrumentation, Lewd or Indecent Proposals or Acts to a Child Under 16, Sexual Battery of a Person Over 16, or any attempt to commit these crimes.

The designation as an aggravated sex offender is in addition to the registration requirements of the Sex Offenders Registration Act. The aggravated designation will be for the lifetime of the offender. The registration file of an offender designated as aggravated will be flagged to indicate such designation. After an offender is designated as aggravated, the local law enforcement agency having jurisdiction over the offender’s residence will be notified by the Sex and Violent Offender Registration Unit.

**LEVEL ASSIGNMENT:**

Only offenders with applicable convictions or probationary periods on or after November 1, 2007 will be assigned a level.

Considering all convictions or probationary periods, determine the crime with the highest level assessment. Offenders who are designated as habitual or aggravated are overridden to level three. Offenders with the crimes of Caretaker Abuse or Neglect or Child Endangerment are assigned to level 1 if the crime involved touching, feeling, observation, or indecent exposure for the purpose of sexual gratification; assigned to level 3 if the crime involves oral, anal, or vaginal penetration.

- An offender assigned to level one must register for a total of 15 years with annual address verification.
- An offender assigned to level two must register for a total of 25 years with address verification every 6 months.
- An offender assigned to level three must register for life with address verification every ninety (90) days.

Registration of Violent Offenders

A. Applicable Violent Offenses
The provisions of the Mary Rippy Violent Crime Offenders Registration Act apply to any person residing, working, or attending school within the State of Oklahoma who has been convicted of, or received a deferred judgment or suspended sentence for the commission or attempt to commit certain violent crimes in the state on or after November 1, 2004, or who entered the state after November 1, 2004, having previously been convicted of, or received a suspended or deferred sentence, or any probation and/or parole on or after November 1, 2004, for a crime or attempted crime which if committed or attempted in this state would be a crime as provided in the following section. A probationary term includes deferred sentences. Sentences rendered outside the Oklahoma judicial system include those from any court of another state, a federal court, an Indian tribal court or a military court. Except for habitual violent offenders, who are registered for life, the person shall be required to register for a period of ten years from the date of the completion of the sentence. The date of completion of sentence is defined as the day an offender completes all periods of incarceration and probation and/or parole supervision pertaining to their sentence.

The applicable violent offenses are listed in the following Oklahoma State Statutes:

1. 21 O.S. § 701.7, Murder in the First Degree;
2. 21 O.S. § 701.8, Murder in the Second Degree;
3. 21 O.S. § 711, Manslaughter in the First Degree;
4. 21 O.S. 652, Shooting with Intent to Kill; Assault and Battery with a Deadly Weapon; Use of a Vehicle to Facilitate Use of a Firearm, Crossbow or other Weapon;
5. 21 O.S. § 653, Assault with Intent to Kill; and
6. 21 O.S. § 1767.1, Bombing and Explosives Violations.

7. Effective July 1, 2008, the requirement to register for crimes of abuse must be determined by the judge at the time of sentencing or upon granting the offender a deferred judgment. The judge must determine if the crime resulted in physical pain, injury, sexual abuse, sexual exploitation, unreasonable restraint or confinement, mental anguish to the victim, deprivation of nutrition, clothing, shelter, health care, or other care or services which caused serious physical or mental injury to the victim. The judge must also determine whether the facts or nature of the offense warrant registration for public disclosure and protection of victims. The judge will not order registration as a violent offender if the person is already required to register as a sex offender for the same offense.

The following crimes of abuse will be registered only upon a specific order of the sentencing judge:

a. 10 O.S. § 7115, Abuse or Neglect of Child/Child Beating;
b. 21 O.S. § 843.1, Caretaker Abuse or Neglect;
c. 21 O.S. § 843.2, Verbal Abuse by a Caretaker (misdemeanor);
d. 21 O.S. §852, Omission to Provide for a Child; and
e. 21 O.S. § 852.1, Child Endangerment.

B. Registration Procedures
1. All offenders subject to the provisions of the Mary Rippy Violent Crime Offenders Registration Act who reside in the state; who enter the state and intend to be in the state for any purpose for thirty (30) days or longer; who have any type of full-time or part-time employment with or without compensation
for more than fourteen (14) calendar days, or an aggregate period exceeding thirty (30) days in a
calendar year; or is enrolled as a full-time or part-time student within the state will be registered as
follows:

a. The “Violent Offender Registration Form” (DOC 020307C, attached) and “Mary Rippy Violent Crime
Offenders Registration Act-Notice of Duty to Register” (DOC 020307D, attached) forms will be
completed. If the offender lives in a community where there are no street addresses, in a rural area
where route numbers are used, or receives mail at a post office box, specific directions to the offender’s
place of residence will be required.
b. The offender will be photographed and fingerprinted.
c. Offenders who have not submitted a blood or saliva sample for DNA testing will be required to do so
prior to release. All other offenders being registered by probation and parole will be required to submit
to a DNA blood or saliva test within thirty (30) calendar days of registration. DNA blood or saliva testing
will be performed in accordance with OP-140401 entitled “DNA Testing.”
d. The completed forms, photographs, and fingerprint cards will be forwarded to the Sex and Violent
Offender Registration Unit. The facility/district head is responsible for ensuring the registration
paperwork is complete and accurate. The original forms are to be placed in Section 2 of the field file.
e. The requirements to register in accordance with the Act and to report any change of address will be
explained to the offender using the “Notice of Duty to Register.” In addition to registering with ODOC,
vilence crime offenders must also register with local law enforcement authorities within three (3)
calendar days of release from incarceration or upon receiving a suspended or deferred sentence.

Offenders entering the state are required to register with ODOC and local law enforcement within three
(3) calendar days after entering Oklahoma. Violent crime offenders are to notify ODOC and the local law
enforcement authority no less than three (3) business days prior to abandoning or moving from the
address of the previous registration.

f. If the new address is under the jurisdiction of a different local law enforcement authority, the offender
is required to notify the new local law enforcement authority of any previous registration. The new local
law enforcement authority shall notify the most recent registering agency by teletype or letter of the
change in address of the offender.
g. If the change of address is to another state, the offender must register with the new state no less than
ten (10) calendar days prior to establishing residence whether temporary or permanent, if the new state
has a violent crime registration requirement.
h. If an offender graduates, transfers, drops, terminates, or otherwise changes enrollment or
employment at any school in the state, the offender shall notify ODOC and the local law enforcement
authority within three (3) business days of the change in enrollment or employment.

2. Inmates in the custody of ODOC will be registered prior to their release. All other offenders subject to
the provisions of the Mary Rippy Violent Crime Offenders Registration Act will report in person to the
probation and parole office nearest their residence within three (3) business days of receipt of a
suspended or deferred sentence, and within three (3) business days of entering the state. When the
offender contacts a probation and parole office, they will be registered in accordance with this
procedure. If the offender is currently registered and is reporting a change in status, the
probation/parole officer may enter the information directly into the offender’s profile of the Sex and
Violent Offender Registry website.
Mary Rippy Violent Crime Offenders Registration Act
Notice of Duty to Register
(Pursuant to Title 57, Sections 591 - 599)

1. I understand that I have a legal duty to register as a violent offender with the Department of Corrections (ODOC) and with the local law enforcement agency having jurisdiction over my place of residence. Local law enforcement agency is the municipal police department, county sheriff, or security department of any institution of higher learning if I am enrolled as a student (full or part-time) or residing in property owned or controlled by an institution of higher learning. I am responsible for obtaining and submitting the information required of me for the registration process.

2. I understand that if I was sentenced in Oklahoma, I must register within three (3) business days of receiving a probationary sentence or release from a correctional facility. I must register with the local law enforcement agency having jurisdiction over any residence I intend to stay at for more than seven (7) days within three (3) days of entering the jurisdiction.

3. If I am entering the state, I must register with the ODOC within three (3) days if I intend to be in the state for any purpose for thirty (30) days or longer, am employed (full or part-time with or without compensation) for more than fourteen (14) days or an aggregate period exceeding thirty (30) days within a calendar year or am enrolled as a student (full or part-time) within this state. I must register with the local law enforcement in the area where I intend to reside or stay for more than seven (7) days, have employment (full or part-time with or without compensation) for more than fourteen (14) days or an aggregate period exceeding thirty (30) days within a calendar year, or am enrolled as a student (full or part-time) within this state. I must register within three (3) days of entering the jurisdiction.

4. I understand that I must notify in writing the ODOC and local law enforcement no less than three (3) business days prior to moving from the address of the previous registration. If I graduate, transfer, drop, terminate or otherwise change enrollment or employment at any school in this state I am to notify the ODOC and local law enforcement in writing of the change in enrollment or employment within three (3) days of the change. If I move to another state, I must give notice of the new address to ODOC ten (10) days before I establish residency or temporarily reside in the new state. I understand that if the new state requires registration for the offense I have been sentenced for I must register with the designated law enforcement agency of the new state.

5. I understand it is unlawful for me to work with, or provide services to children or to work on school premises, or for any person or business which contracts for work to be performed on school premises.

6. I understand that I must continuously register during the term of my sentence and for a period of ten (10) years after the date of the completion of the sentence. If it has been determined that I am a habitual violent crime offender I shall be required to register for my lifetime. I understand that I am required to verify my address with the local law enforcement authority annually if I do not have habitual status, or every ninety (90) days if I have the habitual status. The address must be a physical address, not a post office box. If the physical address given cannot receive mail, a mailing address must also be provided, which may include a post office box. I will receive an address verification form at my registered address and will have ten (10) days to deliver the letter to the local law enforcement authority to verify this address. If I do not receive my verification letter by the tenth 910th) day of the scheduled month, I will contact ODOC.
7. I understand that I must submit to a blood or saliva test for a DNA profile within thirty (30) days of registration, unless a valid sample is already on file with the Oklahoma State Bureau of Investigation.

8. I understand any violation will be a felony punishable by incarceration in a correctional facility for not more than five (5) years, a fine not to exceed $5000.00, or both.

9. These duties and procedures have been explained to me.
Methamphetamine Offender Registry

A. There is hereby created within the Oklahoma State Bureau of Narcotics and Dangerous Drugs Control a registry of persons who, after November 1, 2010, have been convicted, whether upon a verdict or plea of guilty or upon a verdict or plea of nolo contendere, or received a suspended sentence or any deferred or probationary term, or are currently serving a sentence or any form of probation or parole for a crime or attempt to commit a crime including, but not limited to, unlawful possession, conspiring, endeavoring, manufacturing, distribution or trafficking of a precursor or methamphetamines under the provisions of Section 2-322, 2-332, 2-401, 2-402, 2-408 or 2-415 of this title, or any crime including, but not limited to, crimes involving the possession, distribution, manufacturing or trafficking of methamphetamines or illegal amounts of or uses of pseudoephedrine in any federal court, Indian tribal court, or any court of another state if the person is a resident of the State of Oklahoma or seeks to remain in the State of Oklahoma in excess of ten (10) days.

B. It shall be unlawful for any person who knows that he or she is subject to the registry created in subsection A of this section to purchase, possess or have control of any Schedule V compound, mixture, or preparation containing any detectable quantity of pseudoephedrine, its salts or optical isomers, or salts of optical isomers. A prescription for pseudoephedrine shall not provide an exemption for any person to this law. Any person convicted of violating the provisions of this subsection shall be guilty of a felony, punishable by imprisonment in the custody of the Department of Corrections for not less than two (2) years and not more than ten (10) years, or by a fine of not more than Five Thousand Dollars ($5,000.00), or by both such fine and imprisonment.

C. The registry created in subsection A of this section shall be maintained by the Bureau. The registry shall be made available for registrants who sell or dispense pseudoephedrine-related products and to law enforcement agencies for law enforcement purposes through the electronic methamphetamine precursor tracking service. The electronic methamphetamine precursor tracking service shall generate a stop-sale alert on any sale of pseudoephedrine to any individual listed on the methamphetamine offender registry in real time.

D. The registry shall consist of the following information:

1. Name and address of the person;
2. Date of birth of the person;
3. The offense or offenses which made the person eligible for inclusion on the registry;
4. The date of conviction or the date that a plea of guilty or nolo contendere was accepted by the court for any violation of an offense provided for in subsection A of this section;
5. The county where the offense or offenses occurred; and
6. Such other identifying data as the Bureau determines is necessary to properly identify the person.

E. Beginning November 1, 2010, all district court clerks shall forward a copy of the judgment and sentence or other applicable information relating to the disposition of the criminal case and date of birth of all persons who are subject to the provisions of the Oklahoma Methamphetamine Offender Registry Act for a violation of the offenses described in subsection A of this section to the Bureau. The information shall be sent in an electronic format in a manner prescribed by the Bureau within ten (10) days of the date of final disposition of the case. Any person subject to the registry pursuant to subsection A of this section, having received a deferred sentence or conviction in a federal court, Indian tribal court, or any court of another state, shall be required to register and submit a methamphetamine
offender registration form in a format prescribed by the Bureau within ten (10) days of entering the State of Oklahoma or if incarcerated in a federal institution within the boundaries of Oklahoma, within ten (10) days of release from the institution. Knowingly failing to submit the form required by this subsection shall constitute a misdemeanor.

ATTENTION METH OFFENDERS—According to Oklahoma Statute, it is a felony for meth offenders to purchase/possess pseudoephedrine products for themselves or for others to purchase pseudoephedrine for them. A meth offender is someone who, on or after Nov. 1, 2010, was convicted or serving a term of probation for a meth-related crime. To purchase pseudoephedrine products, you must attest that you are not subject to the Meth Registry Act. For more information, see Title 63, Okla. Stat. Sections 2-212, 2-701.

211 Oklahoma is a statewide program of the Community Service Council in Tulsa and HeartLine in Oklahoma City.
Teem

Reentry Services

TEEM’s Reentry Services program serves incarcerated individuals who are six to nine months from being released from prison. Services begin pre-release and continue 12 months post release. This program works to prepare participants to secure and maintain meaningful employment, thus tax consumers into tax producers and helping ease incarceration costs for the state by reducing recidivism.

Education is one of the foremost barriers individuals impacted by incarceration face. Lack of education and lack of access to educational resources are major issues facing individuals as they endeavor to rebuild their lives and secure employment. TEEM works to overcome this barrier by providing GED preparation, computer navigation, keyboarding, job skills training and soft skills classes. These courses not only give our participants the credentials they need to secure employment, but also the confidence and relational skills necessary to succeed in the workplace.

Our programs are evidence-based and supported by research. Classes offered at TEEM are approved by the Department of Corrections.

The Job Placement department at TEEM is committed to training and preparing our participants for long-term, successful employment. Securing full-time employment nearly cuts in half recidivism rates for individuals transitioning out of incarceration. We individually assess our participants’ skills, passions and goals and work to lay out a path to achieving those goals. TEEM’s ‘Ready For Work’ classes equip our participants with the tools and information necessary to successfully secure employment, including resume writing, interview coaching, job searching and dressing professionally. Our commitment to success goes beyond removing the barrier of joblessness. We strive to help our clients build confidence, live purposefully and put an end to the cycle of incarceration. Job Placement helps our clients move beyond the walls and stigma of their pasts and pave the road to self-sufficiency.

Individuals transitioning out of incarceration must not only overcome the physical walls keeping them from a successful life, but also the social stigma attached to their pasts. TEEM’s Job Placement department works to build relationships with businesses throughout Oklahoma City and its surrounding areas, giving our participants the chance to apply for their open positions. Individuals who complete TEEM’s Job Placement program have a proven work ethic and tangible skills to offer. Through strategic partnerships, we help our clients gain skills employers are looking for, such as forklift certification, commercial driver’s licenses and more. Your organization can get involved by providing internship and employment opportunities to our participants, or volunteering your time as a guest speaker in our classes.
BENEFITS OF JOB PLACEMENT:

Ready for Work

- Ready for Work is a six-week course that equips students with the necessary tools for successfully establishing a career. It provides a comprehensive framework for searching and securing a career. The course also focuses on appropriate workplace etiquette and how to prosper and thrive in a work environment.
- Upon completion of ‘Ready for Work’ students are equipped with the information, confidence and skills to be a valuable employee and self-sufficient citizen.

Individual Support

- Students have the option to receive a free haircut and access to our professional clothing closet.
- Students have the appropriate identification to work.
- Job Placement TEEM members are available for additional support and guidance during the application and interviewing process.
- TEEM assists clients with federal bonding.

Post-Employment Follow-Up

TEEM utilizes a 18-month service model to insure participants are equipped with the necessary tools needed for self-sufficiency. Once enrolled participants graduate TEEM’s program, they are eligible for 12-months worth of services. Case Management

TEEM’s case managers help our participants overcome the barriers holding them from finding and keeping employment. We work to set our participants on an individual path to self-sufficiency and to help them achieve their goals. To make the re-entry process successful and smooth, we help our participants secure transportation, identification, housing, appropriate clothing and any other needs. Through direct action and referrals to other community resources, we systematically eliminate the potential barriers our participants face. Our case managers act as the catalyst in helping individuals find and practically prepare for meaningful employment.

Mentor

Our participants are also paired with a one-on-one mentor six months before their release date to provide support, stability and friendship as they prepare for to transition back into the community. TEEM mentors walk alongside our participants as they take steps to ensure a successful re-entry into society. In organizations like TEEM, individuals who are paired with a mentor are twice as likely to find and maintain gainful employment. Because many of our
participants lack healthy role models and adequate support, mentors play a vital role in helping achieve success in the workplace and in personal life.

Legal Aid

For many incarcerated individuals, charges and fines only multiply following conviction. Once offenders are released from prison, corrections fines and family law matters make the reentry process more difficult. TEEM houses an attorney through Legal Aid to help participants with these and other issues.

Legal Aid Services of Oklahoma provides legal assistance, including expungements, reinstatement of driver's licenses, and family law matters to TEEM participants. In 2014, Legal Aid placed a full-time attorney in-house at TEEM to better meet the needs of our participants. This service provides a great asset to participants as they work towards becoming contributing community members.

Voter Registration in Oklahoma

Felons:
A convicted felon may not register for a period equal to the time of the original sentence.

- Example: You were sentenced to 20 years, 7 years to be served and 13 years on probation. You are not legally eligible to vote for 20 years from the day you were sentenced.
- Example: You were sentenced to 5 years. You served 3 ½ years and was released due to “good time”. You are not legally eligible to vote for 5 years from the day you were sentenced.
- Example: You were sentenced to 10 years. You served 8 years and was released due to parole. You are not legally eligible to vote for 10 years from the date you were sentenced.

A convicted felon who has been pardoned may register.
